Student's Name: \_\_\_\_\_

I understand that WMBA seeks to honor and glorify the Lord Jesus Christ in all actions and deeds. I also realize that they seek to assist parents who share this goal for their children. Therefore, they have adopted the following policy to aid in accountability and protection.

As a student of WMBA, I accept responsibility for all social media content in any form that is posted, shared, liked, connected with or linked to my account(s). My social media must not violate scriptural commands that forbid abusive, slanderous, complaining, profane, irreligious, blasphemous, or dishonest speech, immorality of any kind, sensuality, promiscuity, overly secular themes, or murderous or needlessly violent actions. Since I bear not only the testimony of the academy, but also of my Savior, I understand that any material that violates the principles of Scripture or the standards of conduct at WMBA is considered inappropriate. Inappropriate material connected to my social media account(s) may lead to expulsion.

In regards to the above statements I am registering all social media with the school office, along with all content access passwords. I understand if I change access passwords or discontinue my media account(s) I must notify the school office within three days. Failure to register a media account may result in expulsion.
